What to Know about Park Gstaad

- ◆ Located in one of Europe's most luxurious ski resorts, the Park Gstaad has been a home away from home for visitors since 1910. Their reputation is one of elegance and discretion, attracting the elite and those in the know who prefer to enjoy Gstaad in a low key yet sophisticated manner. In 2010, the hotel underwent a complete renovation that modernized the hotel without compromising its historical elegance. They continue to refurbish every year during their off season months
- ◆ 94 rooms including 10 suites with an alpine chalet feel and mountain or forest views
- ◆ 4 restaurants and 2 bars, each with different themes including a Swiss restaurant specializing in local cuisine
- ◆ Gstaad Mountain Rides is one of the largest and most diverse winter sports regions in Switzerland. Skiing, snowboarding and a private ice rink are at the hotel. Summer activities and excursions include horseback riding, hiking, golf and more
