OUR SERVICES

At Israel My Way, there is no such thing as an "off-the-shelf" package. We cover every aspect of the tour planning and execution: destinations and experiences, transportation, expert tour guides, accommodation and more, tailored to your needs and desires. In addition to visiting Israel's

iconic sites and cities, our tours extend beyond conventional destinations to include clandestine locations. This mixture provides you with a more intimate view of this historic country, thus enhancing your experience of Israel's culture and heritage. Israel My Way also offers trips into Jordan, including visits to the historic city of Petra, and Wadi Rum. Whether you're visiting Israel for an event such as a wedding or Bar/Bat Mitzvah, a religious journey (Christian or Jewish), or wish to enjoy an upscale, personalized experience, Israel My Way's detailed approach will provide you with an unforgettable journey.
