About Travel Scope India

- ◆ Travel Scope India is a boutique travel company that specializes in putting together privately arranged, customized travel experiences for individual travelers as well as small groups of friends and family, private groups with special or specific interests. Our strength is our passion, our wealth of knowledge and experience acquired through years of travel across India and the sub-continent. A business friendly approach, thorough knowledge of travel logistics, a well integrated team with multi-lingual capabilities, perfect understanding of the complexities of a nation like India, enables us to be your best resource for creating and delivering high quality travel experiences that are engaging and enriching. Travel Scope has been in business for over 20 years and has handled over 30K clients.
- ◆ We were awarded 'Best Inbound Tour Operator for 2013 – 2014' award – by Ministry of Tourism, Government of India. Our services beyond India to Nepal, Bhutan and Sri Lanka in the Indian-Subcontinent.
