A stylized map of the Puglia region in Italy, composed of several overlapping colored shapes: a light yellow shape in the northwest, a greenish-yellow shape in the central-north, a small orange shape in the central-east, and a light blue shape in the south and east. The text "WHY IS PUGLIA NOT FOR EVERYONE?" is overlaid in a black serif font.

WHY IS PUGLIA
NOT FOR
EVERYONE?

A small white car with a blue roof is parked in a narrow, cobblestone street. The car has a unique, rounded design with large, circular headlights and a small grille. It is positioned in the center-right of the frame. The background shows a narrow street lined with light-colored, textured buildings. A large, rough stone pillar is on the left side of the frame. The overall atmosphere is that of a historic, European-style town.

Our Luxury is for the bold

We are not for everyone, but for those seeking authenticity.
